Two reports were made on Monday in Oak Park. At about 7:30 a.m., a juvenile reported a car following southbound on Ridgeland Avenue near Longfellow School, then stopping to observe the playground before continuing on. Then at about 8:30 a.m., a juvenile reported that, while walking north in the 800 block of south Oak Park Avenue, a car horn sounded and the driver asked if the juvenile needed a ride.

The Berwyn report was made about 7:15 a.m., Tues., near Lincoln Middle School on 16<sup>th</sup> St. The juvenile said a man sitting in a parked vehicle asked for his help.

In all four incidents, the students were a safe distance from the vehicles and immediately reported the events to school authorities.
