

## CALLING ALL KIDS!

Are you a creative, friendly, helpful sort of person? We know you are!

Do you like to draw? Do you like to garden? Take care of animals? Bake cookies, or have a lemonade stand? What about meet new people, to share your friendship & talents, or deliver food or clothing they may need? Or learn about kids in other towns, or other countries, that may need help? If you answered yes to any of the above, you are perfect for The Giving Project!

**The Giving Project organizes kid-directed service projects for the whole family, helping people in our town and beyond.** We may have a bake sale to raise money for a local charity, we may make Valentines for someone who is feeling lonely, or we may help clean up one of our parks. There's lots of ways to help people! *And we want YOUR bright ideas to help us plan our projects for next year.*

Draw us a picture, write a letter, or use the space below to tell us all about who you would like to help. Get an adult to assist you, and send it to us one of two ways:

1) email it to **thegivingprojectop@gmail.com** OR

2) drop it in one of our **Oak Park library bulletin board** envelopes, at any of the 3 branches:

**Main Library:** 834 Lake Street, **Dole Branch:** 255 Augusta Street, **Maze Branch:** 845

Gunderson

**Look for The Giving Project's specially marked envelope on the bulletin board!**

**Deliver by 5pm, January 23rd**, and your project may be one we'll choose for the year! Don't forget to add your name and the best way to reach your family. It's as easy as that! We can't wait to hear from you!
