

# The **GIVING** Project Oak Park

Let It Snow, Let It Snow, Let It Snow!

Ohhh the weather outside is frightful....Well not yet!

But when it does snow you can bring delight to your neighbors, seniors, friends, coaches, teachers and those unable to shovel themselves, by removing snow from their walkways and drives!

All you have to do is grab a shovel and clear a path. We're guessing that whomever you hit will be extremely grateful!

If you participate in this frosty fun idea please cut off the tabs at the bottom half of this page, slip it in the mailbox of the lucky household and let us know how you felt about your experience by emailing us at [thegivingprojectop@gmail.com](mailto:thegivingprojectop@gmail.com).

Have fun and keep on giving,

The Giving Project
