

# IRVING, LONGFELLOW AND MANN SCHOOLS

## PERMISSION SLIP

I, \_\_\_\_\_, as a member of the combined chorus, agree to conduct myself in a responsible, respectful manner. I understand that failure to behave appropriately will result in dismissal from the chorus (at any time). As a member of the chorus, I also understand I have a commitment to my peers to learn the words and music. **I understand that I am representing my family and my school during this event.**
