

Who is more anxious about starting kindergarten - you or your child? Would you like to meet some other parents and students before the first day of school?

If so, come to a playground get together for new Kindergarten families at Washington Irving School!!!

**Saturday, August 18, 2012, 1:00 - 3:00 PM**

**Irving School Playground, Cuyler and Harvard**

(Rain Date: Sunday, August 19, same time)

The Parent Involvement Committee and PTO at Irving School are sponsoring this event for Kindergarten families to ease the transition into school and lessen "first day jitters." It is a chance for the kids to meet other kids who will be starting kindergarten, for their parents to connect with other new families and also with some "veteran" parents. Come with your questions; we will try to answer them. Bring the kids, there will be refreshments and activities.
