

Silent Auction Update. The 2013 Silent Auction will be starting on Tuesday, February 19th. This year we have received over 175 amazing auction items. There is something for every family, taste, style, interest and budget.

Items will be available either for online bidding or in-person bidding.

The Online Auction: will start on Tuesday February 19th at 6pm and run until Thursday, February 21 at 10 pm. This year 20 fantastic items will be offered in the online auction only. A link to the online site will be shared on Tuesday. Please feel free to share this with friends, family and neighbors, the more the merrier.

In-Person Bidding: New this year, we will be emailing you a “catalog” which will include all of the items available to bid on at the in-person silent auction on Saturday, February 23 from 11-3. This is a great way for you to browse what we have and plan wish list. Paper copies will be available at school during the week and on Saturday. You are welcome to share this list as well and invite friends, family and neighbors.

A special thanks to all of the families, local businesses, teachers/ staff for donating to our event, we are so grateful for your generosity.
