

Birthday Book Club Information

The Irving Birthday Book program is an opportunity for students to be involved in the library collection, as well as be honored on their special day! Students can buy a book for the library collection and, in return, a name plate will go inside the book with the child's name and birthday. The student gets to check out the new book first. Once they return it to the library, the book becomes a regular part of the Irving library. Please note the points below:

- Birthday books are \$17.00. If you would like to purchase a birthday book for your student on their birthday, please *return the form on the other side along with \$17.00 (cash or check). Checks should be made out to Irving PTO. Please put your form and payment in an envelope labeled Birthday Books.*
- Students can also send in money anytime throughout the year. If you choose to pay at a later date, please fill out the form and we will send a reminder home during your child's birthday month. The form will also be in the *Digital Backpack*.
- *Checks will be collected immediately, but the forms will be filed by month, and when a child's birthday comes along they will get to choose their book.* For example, even if your child's birthday is in May, you may send in the money now, and the birthday form will be saved until May when your child will get to choose their book.
- The birthday book program will begin with September birthdays. *If your child's birthday is in June, July or August they will get a birthday book on their half birthday.*

One day each week, a parent volunteer will come get the birthday children and help them choose their book, decorate a birthday announcement, and take a picture to hang in the library. This is a great way to help build Irving's library collection with new and relevant literature. Thanks to **Magic Tree Book Store** where we purchase these great birthday books!

If you have any questions please contact Ms. Noonan at knoonan@op97.org.
Thanks!
