

Irving's Diversity & Inclusion Committee is hosting an inclusive playdate where...

# Everybody Plays!

Sunday October 27th from 1:00 to 2:00  
in the Irving Gym

Hello families,

Join us for a fun-filled playdate where kids can enjoy accessible playtime which has been designed with your children's needs in mind using Mr. Tim's expertise (D97's Adapted PE Teacher). The playdate will be facilitated by Irving special education teacher, Marta Mohammad; kindergarten teacher, Joel Blecha; and Irving parents who are members of the Diversity & Inclusion Committee.

This is an inclusive playdate where children with and without disabilities engage in play together. It is our goal to help build relationships between all students.

Please note this is not a drop-off activity. In fact, we are hoping this is an opportunity for parents to get to know other Irving parents.

**Please RSVP by Thursday, October 24th by completing this form:**
